

BUSINESS COMPLIANCE PACKAGE 2

1 YEAR COMPLIANCE FOR LESS THAN \$80 PER WEEK

This can be paid upfront or on a monthly basis via credit card or invoice. Total outlay is \$4108 Annual fee

This pack included all elements of Business Compliance package 1 and in addition included the following

- Electronic based customised Workplace Safety Management System aligned to AS/NZS 4801
- Four hour per month on call safety advise and consultancy
- Development of workplace training plan
- Assistance with tender submission
- Provisions of task specific SWMS and/or JSA/JHAs
- Compliance Auditing
- Conduct of workplace training needs analysis
- Assistance with dealing with WorkSafe and other government department in safety related matters
- Delivery of monthly toolbox meetings to all your staff

The key issue is safety and compliance. We focus on the areas that have a legislative compliance requirement and ensure that you meet this.

When considering spending money on safety consider three very relevant facts :

- Worksafe WA advise the average workers compensation claim in WA is 63 days.
- The business compliance package is tax deductible fines are not.
- This service represents an outlay of less than \$80 per week.
