Important Information White Card

The National Occupational Health and Safety Construction Induction Card ("Blue Card" or "White Card") is a compulsory card in Australia if you wish to work in the Building and Construction Industry. You Must be residing in the State of Western Australia to be eligible for this card.

The cost of the National Construction Card is $80.00,

It is important that you Download and study the Training Manual prior to attempting the online activities. If you do not download and study the manual you will not be able to answer all the questions put to you.

After successful completion of the online assessment you will be directed to Paypal where you can pay for your National Construction Card. You will not need to pay for the card until you have passed. You can have as many goes as you like.

Note: For your privacy our systems do not record your person information until you click on the payment options button on the security page. This has been put in place to encourage everyone to strive to achieve 100% for the tests.

Payment

As an alternative to the credit card payment you can pay by Purchase Order providing your Employer has contacted Frontline and arranged prior approval. Other payment options are available such as:

Over phone payment.

Telephone us after you have completed your exam and we can take you Credit card details via the phone.

Post a Money Order, Cheque to:

Frontline Safety and Training Services

13b Mummery Crescent, BUNBURY WA 6230

or Electronic Fund Transfer directly into Frontline’s Bank Account

BSB 066 507  Account No 1056 6660

Please ensure you use your name and date of test as a payment reference.

Note : Your National Construction Card (Blue Card or White Card) will be sent to the payment address unless you email us and request that the card be posted to another address.

You will be e-mailed a Statement of Attainment which has all the relevant details to gain site access until you receive your card. Please allow up to ten (10) working days to receive your card via post. You can also have your card posted via priority mail. This will incur an additional $25 fee.

Your card will be processed and posted the day we receive your result, payment and third party ID form if it is before 3.30pm. After that time the card will be processed and posted the following day. If the exam was completed on the weekend the card will be processed and posted on the Monday.

Note : we are unable to send your card to an overseas address.
If you have any questions or require any further information our online number is 08 9791 1961.

Office Hours 9.00am - 3.00 pm Weekdays (West Australian time)

**Frontline Safety & Training Services** is a Registered Training Organisation (RTO) and Safety Consultancy

We are a provider of Occupational Safety & Health Services. Frontline has been operating throughout Australia since 2000.

This website is designed specifically for Self Paced Learning and Online Assessment for the National Construction White Card /Blue Card qualifications. This course is Nationally Accredited.

You will not find any bells or whistles on this site just simple, but great practical resources. Frontline believes we provide the best possible service to our clients. Please find our simple six step process listed below:

**Step 1.** Download the Manual *(available at any time)*

**Step 2.** Study the Manual

**Step 3.** Go back online, and **REGISTER**

**Step 4.** Do the exam.

**Step 5.** Pay for the exam

**Step 6.** Third Party ID Verification and USI form is completed and returned.(Located under Useful Tools)

**Step 7.** Upon receipt of this you will be issued with a Statement of Attainment via e-mail and your card will be sent out in the mail.

Check your email as we do email you your Statement of Attainment so you can start work as soon as possible. Generally before the end of the working day provided we have the correct verification documents.

We are often asked how long will the exam take. You will be provided with a selection of 50 questions randomly chosen from a pool of over 500 questions.

If you have studied the manual you should be able to complete the exam in about 30 to 40 minutes. If you do not study the manual allow three weeks.

Overall with study time and the exam for the National Construction White Card / Blue Card you will need to put aside up to six hours to be competent and able to pass the course exam. Your study time will be dependent on your level of knowledge and industry experience.

The pass mark is 90% however in the interest of you and your workmates safety, you should strive to achieve 100%.

Payment is made upon successful completion of the exam. **This means you can have as many goes as you like as you do not have to pay until you pass!**

Your Statement of Attainment will be emailed to you as soon as the verification process is complete. In some cases within the hour of completing and paying for the exam. If you need your card number straight away allow an hour after you have completed the exam and provided us with the verification document and
then give us a call (9am - 3pm weekdays WA time ) we will be able to provide you with your number over the phone 08 9791 1961

Further Very important information regarding the issue of the National Construction White / Blue Card is available within the Manual for the White Card course.

If you have any Questions regarding the White Card please call us we will be happy to assist you. Ph: 08 9791 1961

National Induction Training Course

CPCCOHS1001A Work Safely in the construction industry (The White Card) is a nationally accredited course. People who complete this on line course in WA will be issued with a WA white card. People who have previously completed the SAT course will not have to repeat the training. Both current Safety Awareness Training (Blue) card and the new White Card will be accepted across all States and Territories.

Acceptance of cards from different states
The online White card exam that Frontline offers is accepted in all states and can be used Australia wide however, the participant must be residing within the state of Western Australia when the card is completed. This card can be used Nationally.

Refresher course
There is no requirement for the conduct of a refresher course under current WA OSH laws however many employers require a white card with a issue date of less than three years. You are able to do a refresher course with Frontline at a substantially reduced fee from the standard course. Call the office to enquire

CPCCOHS1001A Work safely in the Construction Industry

A new national course for induction training commenced across Australia on the 1 September 2009. CPCCOHS1001A Work Safely in the construction industry. This is Nationally Accredited course. People who complete this new unit of competence in WA are issued with a white card as well as the qualification. People who have previously completed the Blue Card (before 1 Sep 2009 ) course were not issued with the qualification and in some circumstances will have to repeat the course as a prerequisite for other training.

Acceptance of cards from different states
The White Card is accepted in all states and territories of Australia

You MUST be residing in the State of Western Australia to be eligible to complete the White Card exam on this website.
